INTERNSHIPS

PRODUCTION

MAKİNE VE KİMYA ENDÜSTRİSİ A.Ş. | ANKARA

AUG 2023 - SEP 2023

In this internship experience, I learned to observe and optimize production processes, while also gaining experience in quality control and assurance matters.

PRODUCTION AND MATERIAL PLANNING

TÜRK TRAKTÖR VE ZİRAAT MAKİNELERİ A.Ş. | ANKARA

JUL 2023 - AUG 2023

At TürkTraktör company, I had the opportunity to closely monitor production processes through SAP. This experience significantly enhanced my understanding of practical aspects in the business world and taught me how to create value in a work environment.
